

"There is no description, no image in any book capable of replacing the sight of real trees, and all the life to be found around them in a real forest."

Maria Montessori

Bush Playgroup

Thursdays 9.30 - 11.30am
Term Time Only

Montessori Children's Centre is offering a **Nature Playgroup** for children aged 18 months - 5 years beginning in Week 5 of Term 3.

We have combined forces with the amazing Jacqui Hunter to coordinate a Montessori based Nature Playgroup at her Berawinnia property in McLaren Flat. This 2 acre property has some incredible natural spaces for children to explore, experiment and engage with nature.

The group runs every Thursday from 9.30 -11.30am during Term time only. A qualified Montessori Educator is taking the session, guiding nature play activities and facilitating the program.

The first session is free to new families and session costs will remain fixed at \$18 per session and an annual registration of \$40 to Playgroup SA for families' public liability cover.

To register your interest and to get directions to the site, please call the Centre on 8323 8855 or email mccmv@iinet.com.au.

The Playgroup will complement our Preschool sessions and provide an option for younger children who are not old enough to enrol in the Preschool. This is also an opportunity for Preschool-age children to attend this Nature Playgroup with a parent.

We are so excited to announce this valuable addition to our comprehensive Montessori program!

***"When children come in to contact with nature,
they reveal their strength."***
